Skills

- Coding Python, C++, R, MATLAB, VBA, SQL
- Applications Reuters EIKON, Reuters FX Trading, Bloomberg, Jupyter Notebook, L^AT_EX

Awards & Certificates

- edX - MITx *MicroMasters* Statistics and Data Science
XSeries Introductory Mechanics
XSeries Introductory Electricity and Magnetism
XSeries 18.03x Differential Equations
XSeries Computational Thinking using Python
16.00x Introduction to Aerospace Engineering
24.118x Paradox and Infinity
- edX - Other BEM1105x Pricing Options with Mathematical Models, CaltechX
- Coursera Neural Networks and Deep Learning, deeplearning.ai
Improving Deep Neural Networks, deeplearning.ai
Machine Learning, Stanford University
Algorithm Specialization, Stanford University
Python for Everybody Specialization, University of Michigan
Introduction to Data Science in Python, University of Michigan
- HackerRank *Problem Solving*: Gold Level. *Python*: Gold Level. *C++*: Bronze Level
- 2016 Bangkok Bank Scholarship – Full scholarship for studying masters degree
Bloomberg Market Concepts (BMC) Certificate of Completion
- 2015 C++ BASIC (Win32 Console Application) Certificate, NetDesign Institute
- 2012 CISA Level 1 (Certified Investment and Securities Analyst)
